

Dear Merchant,

In 2007, CentralBANCARD was merged into its parent company, TriSource Solutions, and CentralBANCARD ceased to be a recognized legal entity. All contracts were assigned to the parent company of TriSource Solutions, but we continued to use the familiar DBA (Doing Business As) name of CentralBANCARD while we developed a new marketing strategy for the entire company.

Since the merger of CentralBANCARD into TriSource Solutions, we have received feedback from many of you in the marketplace stating that the use of both the CentralBANCARD and Nobel names (as divisions of TriSource Solutions) is confusing. Therefore, beginning March 1, 2008 we will begin transitioning exclusively to the TriSource Solutions name. We will begin branding merchant services, previously provided by CentralBANCARD, and processing services, previously provided by Nobel, under the legal entity name of TriSource Solutions.

The terms and conditions of your merchant agreement remain largely unchanged. The CentralBANCARD name within the terms and conditions has been replaced with the legal entity name of TriSource Solutions. You may download and print a copy of these revised terms and conditions at www.TriSourceSolutions.com/terms. If you do not have access to the internet, please call our offices at 1-800-697-0480 and we will be happy to fax or mail a copy of the newly branded terms and conditions to your business address on file. By continuing to process credit card transactions with your existing merchant number, you indicate your acceptance of the new legal entity name to TriSource Solutions.

The effect of this change will be minimal for you. Your current pricing will remain the same (subject to any changes by MasterCard or Visa as usual). Your statements will appear the same with the exception that the TriSource Solutions logo will replace the CentralBANCARD logo. Plus, your terminal help desk numbers will remain the same as well.

Our customer service staff remains unchanged and, as always, will be available to help with any of your questions.

Thank you for putting your continuing trust in us. We are glad to be your processing partner!

Sincerely,

TriSource Solutions
