

TRISOURCE SOLUTIONS SIGNS AGREEMENT WITH GRANITE PAYMENT ALLIANCE

TriSource Solutions, LLC.
Davenport, IA – 7/16/2007

TriSource Solutions is pleased to announce the signing of a long-term processing agreement with Granite Payment Alliance. Under the agreement, Granite will utilize TriSource's recently acquired Nobel Electronic Transfer processing platform. Nobel is a registered Third Party Processor and Association settlement end point. Granite will provide full turnkey processing and support services to the agent bank market. Henry Harp, Chief Executive Officer of TriSource, offered this assessment of the agreement, "Wayne Keddy and his group at Granite have a wealth of knowledge and a long history of providing world class services to the agent bank market. We are very excited that Granite has chosen our Nobel platform as their system of choice." Granite's decision to utilize the Nobel platform adds to the growing list of companies who have partnered with Nobel and TriSource. Keddy, President of Granite, commented, "We are very pleased to have found a processing partner with an outstanding platform that is reliable, flexible, cost-effective and easy to use." By partnering with TriSource, Keddy expects to "combine Granite's expertise in servicing the agent bank with the feature-rich and dependable processing services offered by Nobel and TriSource to become one of the leading agent bank merchant service providers in the country – thereby creating value that we could never achieve on our own."

About TriSource Solutions, LLC.

TriSource Solutions, LLC. recently announced the acquisition of Nobel Electronic Transfer and the merging of CentralBANCARD and Nobel into TriSource Solutions. CentralBANCARD is a non-bank acquirer that sells merchant payment services to traditional brick and mortar merchants as well as commerce-enabled Internet merchants. The CentralBANCARD non-risk agent offerings combine low buy rates, outstanding agent and merchant support, custom backend services, and a "no smoke, no mirrors, no gimmick" residual program. The Nobel Processing platform was built from the ground up over a decade ago to provide economical merchant transaction processing and Visa, MasterCard and Private Label card issuing services that use the most highly flexible and scalable technology. The platform is cost-effective, reliable and flexible, and is designed to meet the unique underwriting and risk needs of the ISO market. Together, CentralBANCARD and Nobel processed more than 35 million transactions in 2006. For more information, visit www.CentralBANCARD.com or call Tom Dunn, President, at (410) 592-7485.
