TriSource Solutions partners with The Phoenix Group, equipment supplier and service provider

Summary:

TriSource Solutions announces a new professional partnership with **The Phoenix Group, the industry's largest independent equipment supplier and service provider**, and the only one with distribution agreements with every major manufacturer: Lipman, VeriFone, Hypercom, Ingenico, Magtek. The Phoenix Group is proud of the fact that, because they are an independent equipment supplier, they are able to remain flexible and quick on their feet so they can develop a truly personal relationship with their customers in order to better service their needs.

TriSource Solutions is proud to offer competitively-priced equipment purchase options—*with no mark up pricing to agents*—through The Phoenix Group. **All equipment purchases and shipping fees will be offered on a pass thru basis.** Plus, The Phoenix Group is highly experienced in repairing and refurbishing malfunctioning and damaged equipment. Please contact TriSource Solutions for a price list of new and refurbished equipment, for rates on equipment repair and refurbishing, and for warranty information.
