

Mike Cottrell to Accept Position as Education Committee Chair of the Electronic Transactions Association

Bettendorf, IA – January 17, 2012: TriSource Solutions, LLC is pleased to announce that Mike Cottrell, Vice President of Business Development, will act as the *Education Committee Chair* of the Electronic Transactions Association (ETA) for 2012. Mike will also be teaching the *Intro to Electronic Processing* class for the Electronic Transactions Association online University (ETAU).

The ETA is an international trade association representing companies who offer electronic transaction processing products and services. The purpose of ETA is to influence, monitor and help shape the merchant acquiring industry by providing leadership through education, advocacy and the exchange of information. As a member-driven organization, the ETA relies on the Education Committee to assist with development of strategies to achieve the organization's vision and goals.

Mike is a 17-year veteran of the credit card processing industry and displays extensive knowledge in the areas of ACH, Credit, Debit, Electronic Check, Smart Card RFID and eCommerce. In his business development role at TriSource Solutions, Mike is responsible for product planning and creation of strategic partnerships.

About TriSource Solutions:

TriSource Solutions is a leading provider of electronic payment services to merchants throughout the United States, distributed through a broad network of Independent Sales Agents, Independent Sales Organizations and Agent Banks. TriSource Solutions enjoys the market advantage of operating its own proprietary Merchant Accounting and Settlement System, which enables more flexible and cost effective transaction processing services. The company also offers a wide array of complementary services, such as merchant cash advances, provisioning and leasing of point of sale hardware, gift card services and check services, including electronic check conversion.
